

EXCLUSIVE OLFACTORY EXPERIENCES

Discover beautiful and unique places following your nose

BRAVANARIZ

is a Spanish natural
perfume brand

We capture the essence of the wild
landscapes of the Empordà region, in the
northeast corner of Spain, distilling its
Mediterranean essence in each flask.

BRAVANARIZ's Scents

100% Natural

Our perfumes are made solely with local plant life, most of which have been gathered by hand with full respect for the environment.

Niche Perfumes

Our fragrances are one of the most exclusive, original and disruptive olfactory proposals of the niche perfumery scene

A woman with short brown hair, wearing a white long-sleeved top, is shown from the chest up. She has her eyes closed and is holding her right hand near her face, appearing to smell it. The background is a soft-focus forest with sunlight filtering through the trees, creating a warm, golden glow. Two thin white horizontal lines frame the text.
